

EXPERIENCE QATAR

Company Profile

WHY

Qatar is the upcoming and leading destination on the world map for not only business, but also leisure travellers. With more than 100,000 new accommodation units built just through 2018 till 2021, Qatar is gearing up to welcome millions of tourists on its land and to share our traditional values, cultural aesthetics and its natural and architectural wonders.

Apart from many world-renowned events being hosted in Qatar, it has always been focused to be a hub of dialogue between sports, culture, inter-faith, education, community development, and harmony. This further promotes the country's welcoming nation of roughly 3 million people; among which, many residents and citizens await with their own hospitality culture to welcome globetrotters and business travelers alike.

OUR STORY

In 2020, when the pandemic was at its heights and expats as well as residents of Qatar had been in lock-down, the outgoing residents of vibrant Doha were looking into places they could spend their time with families and friends at; without the worry of being exposed to the virus. While some of the residents knew about the boats and desert activities, many did not know the activities that are there and how to access them. This was the light-bulb moment for Abdulrahman Sajid, our Founder & CEO who had previously owned businesses in the tourism sector in Qatar to promote it on a global market. Experience Qatar was therefore formed out of sharing locally available private outdoor experiences for families to be outdoors and explore the country's culture and nature together with experts. This boutique experiences concept has now become a world-wide renowned brand for visitors and residents of Qatar.

ABOUT US

Founded in 2019, we are a leading Qatari Destination Management Company and an online tours provider with 20+ years of industry experience. What makes us different is our experience and value for each product that we carry. Our team is fully capable of hosting FIT, groups, corporate groups, MICE and luxury travel customers.

Our mission at Experience Qatar is to be the perfect destination, offering captivating journeys that showcase Qatar's rich cultural heritage, breathtaking natural beauty, and heartfelt hospitality through thoughtfully design itineraries, personalized service, and a commitment to responsible tourism, creating unforgettable adventures that ignite the senses and create lasting memories.

Our vision at Experience Qatar is to be the global leader in immersive travel experiences that showcase the wonders of Qatar, inspire cultural discovery, and foster sustainable practices, leaving a positive impact on communities.

OUR VALUES

Excellence

We strive for excellence in everything we do, setting the industry standard for delivering exceptional travel experiences through meticulous planning, attention to detail, and unwavering commitment to quality.

Authenticity

We celebrate and preserve the authentic cultural heritage of Qatar, offering genuine and immersive encounters that provide our guests with a true sense of the destination's traditions, customs, and way of life.

Personalization

We believe in the power of personalized service, tailoring every aspect of our guests' journeys to their unique preferences, ensuring that each experience with us is tailored to exceed their expectations and create lifelong memories.

Sustainability

We are dedicated to sustainable tourism practices, minimizing our ecological footprint, supporting local communities, and preserving the natural and cultural resources of Qatar for future generations to enjoy.

Customer Satisfaction

Our customers are at the heart of everything we do. We prioritize their satisfaction, actively listening to their needs, anticipating their desires, and consistently exceeding their expectations to create long-lasting relationships based on trust, loyalty, and memorable experiences.
