

WELCOME TO ABU DHABI

The largest of the UAE's seven emirates, and the country's capital, Abu Dhabi is a destination with blue skies almost year-round, stunning white sand beaches and a modern, cosmopolitan city lifestyle which remains steeped in the richness of Arabian culture.

Abu Dhabi's first permanent settlement emerged on the coast as a small fishing and pearling village, and by the 19th century had become a bustling trading centre. The discovery of oil in the emirate in 1958 led to a boom in its development, transforming the city into a hub for culture, tourism and business.

Today, Abu Dhabi is a thoroughly modern metropolis combining old world charm with cosmopolitan chic, a clean and safe city with attractions and experiences to delight all types of visitors. From cultural landmarks such as Louvre Abu Dhabi and Qasr Al Hosn, to the thrilling attractions and family-friendly fun of Yas Island, as well as countless world-class hospitality, retail and dining establishments, Abu Dhabi truly offers something for everyone.
