### DAY TOUR OF DUBAI AND ALL THINGS EMIRATI

Spend a rewarding day exploring Dubai, experience its culture and learn about the UAE's history on this full day tour. Starting in **Al Seef** district at Dubai Creek whence the city spread, retrace the steps of fishermen, pearl-divers and weavers who once came to trade as you wander through the *Sikkas*, pedestrian streets that line water's edge. Stroll through narrow alleyways in Dubai's oldest **Al Bastakiya** quarter en route to **Dubai Museum** located in Al Fahidi Fort built in 1787. Be mesmerized by the vibrant, colorful trade in **Souk Al Kabeer** before boarding an **Abra**, traditional water taxi across Dubai Creek. Walk through the **Spice Souk** where sacks of jute overflow with fragrant spices and herbs brought by Dhows sailing in from India and Iran as in bygone times. Work up an appetite then enjoy a **Set Menu lunch** at an Emirati restaurant. Continue to **Zabeel Palace** for a photo-stop outside the home of Dubai's ruler and UAE's Vice President. Stop next at the 21st century **Etihad Museum**; be enthralled with the story of UAE's foundation, told via a unique experience-driven journey through pavilions, exhibitions and interactive programs exploring the events leading to UAE's unification in 1971. Finally see **Union House** where the documents of unification were signed.
